Re: Resignation from Design Review Advisory Committee

Todd:

As we discussed at the recent meeting of the Design Review Advisory Committee, I will no longer be able to serve on the committee and must resign. I recently accepted a full time position working in New Haven which will make it impossible for me to commit to attending DRAC meetings.

I have greatly enjoyed serving on DRAC since 2006 and I have certainly learned a lot during that time. DRAC provides a great service to the town and I was honored to play a small role in that. I hope to see you again in the future.

Sincerely,

Matthew C. McGrath
